

Gaea Books, Co., Ltd. 蓋亞文化有限公司

Founded in 2001, Gaea Books is a Taiwanese publisher, and a kingdom of memories and imagination. We devote ourselves to scouting gifted authors in Taiwan, Hong Kong, and Mainland China. In the meantime, we introduce the popular works from Europe, USA, Japan, and South Korea to readers in Taiwan. In 2009, Gaea Books started a new brand, Dyna Books, to publish graphic novels and comics, and to find a different way to tell stories - through visual arts.

Dyna Books, Co., Ltd. 原動力文化事業有限公司

Dyna Books is committed to the development of original comics and comic novel adaptations by Taiwanese artists. Our goal is to help cultivate fresh new Taiwanese comics and generate more high-quality artistic works brimming with creative energy. We also work to bring classic works from Hong Kong, China, and Japan to provide more plentiful and diverse comic offerings in Taiwan.
