## Etiquette and Customs in Taiwan A Pictorial Journey of 100 Years

禮俗台灣 百年時光

Author's Preface

The Pursuit of Joy in Truth, Goodness, and Beauty

Creating this large painting has been a personal journey for me. In the middle of 2019, when I started conceptualizing this artwork, I was not certain about the theme and artistic philosophy that I was after. Initially, I simply wanted to create a piece that depicted a century's worth of traditions and culinary culture in Taiwan.
