

Little Newton Science Education Company Ltd.

小牛頓科學教育有限公司

Little Newton is one of the leading children and science publishing company in Taiwan. Began with publication of "Newton Magazine" in 1983, "Little Newton Magazine" in 1984, and "Little Newton for Kids and Toddlers" in 1990. Till now, we have created over 1,000 best seller publications.

In 2003, we released our titles in China Mainland via copyright licensing. They have been loved by many children, parents and teachers. Little Newton is taken as an important brand for children publication in China.

Now, we will extend from paper books and eBooks to on-line courses, and from Chinese-speaking world to worldwide.
